

SMBA Employment Law Lunch

If you think the NLRB doesn't apply to you, think again. Learn about NLRB's jurisdiction beyond unionized workplaces, recent rulings extending the reach of labor laws into social media policies, class action waivers, and responses by the courts. What is, or isn't protected concerted activity? Expert management lawyer Ed Langhammer will provide insights and analysis to this growing body of law and provide practical tips for employers on balancing social media and other workplace communication policies with privacy rights of employers and employees.
