10:00am-11:30am PST

Commercial landlord-tenant disputes can often turn into highly contentious and expensive legal matters, especially in the emerging and rapidly evolving areas of Airbnb short-term rentals and cannabis business property leasing. This program provides guidance on counseling a commercial landlord or tenant alleging that the other party is violating the terms of the contract or lease. Join Tad Devlin for negotiation tips and litigation strategies to resolve rent, lease provision, property damage, and other commercial landlord and tenant disputes. Mr. Devlin also discusses common issues and problems commercial landlords and tenants face with Airbnb and other short-term rental platforms.
